

NABILA AFSANA

Dhaka, Bangladesh | +8801741531602 | tubacpscr12@gmail.com

OBJECTIVE

I believe myself as proactive, and self-motivated, and always carry a positive attitude to learn new things & try to polish the skill sets required to thrive in challenging situations. At this stage of my career, I am eager to learn new technologies and looking for a company that will challenge my technical expertise while also providing me with attractive career opportunities. I am ready for any software engineer, database engineer, or UI engineer role.
